

Make Your Wellbeing a Priority >>

Schedule Your Annual Wellness Visit Today!

Focus on being well—so you can feel your best for years to come. Medicare covers an Annual Wellness Visit which is different from your routine physical exam.

WHAT TO EXPECT:

- Review your medical and family history
- Identify any potential risk factors
- Update your list of providers and medications
- Establish a preventive care screening schedule

When it comes to your health, please don't delay!
Call your primary care provider to schedule your visit.

Memorial Health Network is a physician-led organization created to manage and operate a clinically integrated provider network in collaboration with Memorial Healthcare System. Broward Guardian is a Medicare accountable care organization (ACO), operating under Memorial Healthcare System and providing enhanced coordinated care to the South Florida community.
